Happy New Year!

We pray you had a very blessed Christmas celebrating our Savior's birth. We are enjoying some rest after an extremely busy December, giving our first of 10 Christmas concerts on Dec. 2 and finishing up with 3 concerts the week after Christmas. It was probably our busiest singing schedule yet along with our nursing home visits, but we are so thankful for the opportunities we had to share God's plan of salvation for us through His son Jesus. We praise God for keeping us healthy and especially protecting us as we traveled in the winter weather. (One Sunday, we traveled a total of 4 ½ hours for two different concerts in which only 10 minutes were ice free!) Thank you for keeping us in your prayers.

We also want to thank many of you who gave special year-end gifts to our ministry. We are very grateful to the Lord for your generosity at this time of year as this extra support helps us take care of many specific needs and expenses and to pay year-end ministry taxes. God has been so good and faithful to keep His promises to provide for us. We are overwhelmed by your kindness to us and all your encouragement and support of our ministry.

We are including ministry contribution receipts for tax purposes to all our monthly supporters and to those who have given gifts of \$250 or more. If you are in need of a tax receipt for itemization purposes and do not receive one, please let us know and we will be happy to get you one.

Again, thank you for your partnership with us. We have been so blessed!

Praise God for His provisions and mighty protection.

Pray for renewed strength and vision for our ministry.

Praise God for upcoming singing opportunities already scheduled for Jan, Feb. and March.

Pray for the Holy Spirit's continued leading and direction in our ministry.

Pray for boldness in sharing Jesus with others.

“So then, just as you received Christ Jesus as Lord, continue to live in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.”
