HOW GOOD ARE YOU?

That is one of the questions we've been asking the students at the Northeast FCA meetings on Wednesday mornings. We've been blessed to have about ten middle school and about 30 high schoolers regularly attend. In our meetings, we have been going through a questionnaire that asks the students some other great questions to get them thinking about spiritual things. What is your spiritual background? If you could ask God one question, what would it be? And, if God asked you "Why should I let you into heaven, what would you say?" There have been many interesting responses, and we've been using these questions as an opportunity to point them to God and what the Bible has to say about these things. Here are some of their questions to God: How do you make others believe in you? Why do bad things happen to nice people? What can I do to be more like you? What can I do to get to heaven? With each meeting we have shared the gospel of Jesus Christ with the students and God's love for them shown on the cross. I can't remember ever seeing so many young people so hungry for God's Word. We are so thankful to be able to build relationships with these students and to encourage them in their relationship with God. Thanks for praying for us. Please continue to pray for clarity and boldness as we share the gospel and that the students would make decisions to follow Jesus. **Acts 28:31**

Truth Singers Update: Truth Singers Update:

Our Truth Singers group is going and growing strong! We continue to be amazed by our special needs friends and how God has gifted them in so many ways to bring honor and glory to Himself. We recently had 5 of our Truth Singers help Scott lead worship on Sunday morning at our church. God continues to bring new people to our group each Thursday which averages about 70 special needs adults and all their staff and family as well. Please pray as we share God's love with them and have the opportunity to tell them about God's incredible plan of salvation through His son Jesus.

We hope you can join us for any or all of these exciting activities coming up with our special needs friends. You will be blessed!

*April 19 (Thursday) at 7:00 is our Truth Singers Spring Concert (at DeWitt E. Free)

*May 15 (Tuesday morning) at 10:15 a.m. Fran Riley with KWQC will be visiting and filming the Truth Singers for a story to air on Paula Sand's Live.

God has opened up incredible opportunities for us to expand our “family” ministry into our kids’ school through the recent approval of a Fellowship of Christian Athletes huddle at Northeast. The harvest is ripe and God is working in so many ways in the lives of these students. As always, God’s timing is perfect. We had already met twice with our FCA group and just the day prior to our third meeting, a senior student was tragically killed in an accident. (Please pray for this family!) The FCA meeting the next day was flooded with grieving, hurting, questioning students. We (and the other couple who God has raised up to help us with FCA) had the opportunity to share Scripture and pray with these students and to tell them how much God loved them and desires a relationship with them. Our hope is in Jesus Christ, and through Him alone we can have confidence in knowing where we will spend eternity. Thank you for praying as this is the message we bring. We are excited to see what God will do!
