

Scott Kaczinski Music Ministries

Quarterly Newsletter

July 2012

We have had an extremely busy but fruitful spring of ministry and have found it very challenging to balance ministry along with the lives of 4 teenagers and all their activities. At the end of March, we had an FCA (Fellowship of Christian Athletes) game night with ultimate dodge ball and pizza for our FCA students and their friends. Praise the Lord! Over 60 students showed up! We showed the Louie Giglio video "How Great is Our God." The students were absolutely amazed at the video, and it was an incredible evening as we were able to share God's great love with these teens. Our FCA group finished the school year strong as we met each Wednesday morning with a core group of 42 students. In April, we had our spring concert with our Truth Singers. It was indeed a blessing to all who came to see our special needs friends bring so much glory and praise to God in their uninhibited worship. One of our Truth Singers, Angel, was also baptized at our church by Pastor Mike in April. What a privilege to see her tears of joy and even fear as she simply trusted and obeyed in her baptism! Another big event for our Truth Singers happened May 15 as Fran Riley with KWQC came with his camera to do a story on the Truth Singers. They were overjoyed to have their pictures taken with a "celebrity." We continued to meet with the Truth Singers each Thursday in June, and at the end of June, we celebrated all the Truth Singers summer birthdays with a big party. The Truth Singers are looking forward to singing at the Clinton Co. Fair July 19. In June, we also finished another 8-week marriage mentoring session with a couple. What a blessing it has been to see how God is working daily in their lives to grow them spiritually as individuals and to teach them how to be Christian parents and a Godly husband and wife. We will begin mentoring another couple in the fall. And last, amidst all the excitement of ministry, Taylor graduated from Emmaus Bible College with her one-year Biblical Studies certificate. It's hard to believe that her first year of college is already over! She is looking forward to continuing at Emmaus in the fall in the counseling psychology program. In a recent conversation with our good friends and ministry partners, we mentioned that we were worn out and tired from everything that was going on. We loved their response. They said it was ok to be weary from ministry as long as we weren't weary of ministry. How true! Like anything, it's fine to be tired from what we are doing as long as we aren't tired of doing what we're doing. God has been so good and faithful, and we **love** the ministry He has called us to. Thank you for partnering with us and praying for us to be energized as we gear up for more of what God has in store for us!

-scott and annette

Praises and Prayers:

Praise that Taylor and Eli both got good summer jobs

Praise and prayer for us and the couples we have the opportunity to marriage mentor

Pray for our financial support. We currently have a monthly shortage in pledged support.

Pray for God to supply for our 2nd quarter taxes which are close to \$2,500 due by the end of July.

Praise and prayer as we begin to plan for FCA in the fall.

Praise and prayer for a God-honoring day as we sing with the Truth Singers at the fair July 19. Come join us! ☺

Praise and prayer that we are able to get a desperately needed new roof on the house due to an anonymous gift given last Christmas. God is good and faithful to keep all his promises to provide for our needs!

Pray for renewed energy and wisdom and direction for upcoming ministry events

Pray for God to be glorified in all that we do and say and sing and that we will be bold and intentional in sharing Christ with others.
