October 2011

We pray you are enjoying this beautiful and cooler fall weather that God has given us. We anticipated a less hectic schedule with sending Taylor off to college, but it seems that our busy summer continued right into our fall. In August, our family had the incredible opportunity to be involved in the Quad City Mission Festival “From The Cities to the World” sponsored by the QCA Converge churches. We were able to connect with other missionary friends from around the world as well as other local missionaries. Not only were Annette and I challenged and encouraged, but our children experienced an increase awareness and passion for missions and how God could be calling them to the mission field also.

One area that we were specifically challenged in was our call to the elderly. Dr. Reyna, a missionary in Mexico, asked us about our music ministry and how we share the gospel and follow up with the elderly. He said that in Mexico, he approaches the elderly from a unique standpoint. Since the average life span is not very high at all, anyone who reaches old age is very blessed indeed. He tells them that God must have a very special purpose for their life since they are still living and God has them reaching old age for a specific reason. Because God loves them so much, he is giving them the opportunity to still trust in Him, and if they already have, their purpose is to tell someone else about the relationship they can have with Jesus. We know God has a divine purpose for all of us, and we were refreshed and renewed in our mind set that our ministry to the elderly must be intentional and deliberate. God desires that no one perish without knowing Him, even in their old age. Please pray for us to be bold and passionate about sharing Christ with others.

We are delighted to participate in another Missions Weekend in November at Mulford E. Free Church in Muscatine. Please pray for Scott as he prepares for a concert and 3 different seminars on parenting, marriage, and special needs ministry to present at the conference. May God be glorified.

Our **Truth Singers Ministry** kicked off September 1 with about 50 special needs adults plus family and staff. We have 95 Truth Singers currently on our attendance list, with about 70 of them being active each Thursday. Praise the Lord! We have also had an increase in those coming to the Truth Singers Sunday School class. Please pray for these dear friends and the opportunity we have to minister to them and their families. Please pray for our upcoming Christmas party. We will once again have our Truth Singer Christmas Sponsor Tree in the month of October if you are interested in sponsoring a special needs adult for \$20. All donations are used to buy Christmas presents for each Truth Singer.

Please continue to pray for God's leading and provision as our current monthly support is down, and we have many needs at this time. We are thankful for the many times that God has provided for us over the past eight years and know that we can always count on Him in times of need.
