Quarterly Newsletter

April 2010

Praises and Prayers

Please pray for wisdom and boldness in sharing Christ with others. Pray that we will be faithful to the task God has called us to.

We recently experienced a computer crash due to some serious viruses infecting our computer. Praise that we were able to get it fixed and all our files restored!

Pray that God will supply \$2000 for our Quarter 1 ministry taxes due by the end of April.

Pray for Scott's surgery in Iowa City on March 26. (More on other side.)

Praise God for using ministry partners to generously provide us with newer reliable vehicles to replace our older ones.

Pray that God will raise up 10 people who will support our ministry for \$25 per month as we need to increase our support.

Please pray for all our Truth Singers and especially their staff workers who bring them each week. Pray for lives to be changed!

Pray for God's guidance as we look to add more nursing homes to our monthly schedule.

May 3rd will mark our 7th year of ministry. The pictures above were taken as we first began singing in 2003. Our little arrows have grown! We are thankful for the opportunity God has given us to minister together as a family.

SKFMM FINANCIAL UPDATE

As we operate *SKFMM* as our own non-profit (corporation) ministry, we frequently find it necessary to assess our finances. We want to be wise stewards of the contributions, gifts, and support we receive. Like other missionaries, we are in need of raising more monthly support to meet our various needs. We currently receive \$2,255 per month in pledged support. Although we also receive many one-time gifts and other special gifts throughout the year, this is the amount we hope to increase. We are currently looking to increase our support by \$250 per month. This can be accomplished by 10 people committing to \$25 each month. Our expenses have increased as we now have health insurance for Scott. We also have teenage drivers and more costs with teens in the house. Update of musical equipment, ministry costs, household repairs, increased driving, and just regular family expenses have also contributed to our need for increased support.

Thank you for prayerfully considering the financial support of our ministry. More than anything, we are very grateful for your prayers and encouragement to us. God has been so faithful to us these past 7 years....and always! We could not serve as we do without your partnership with us. We are grateful!

Scott's Health Update:

Thank you for all your prayers and concerns for Scott. As you may remember, Scott had surgery on his neck last August to remove a non-cancerous tumor and soon after had another growth appear. Since then, Scott has had an MRI and a biopsy the end of February. He will now have surgery again March 26 to remove a plunging ranula along with the sublingual gland which is responsible for the problem. The surgery should not affect his vocal cords or singing. Please pray for wisdom for the surgeon, peace for Scott, and for complete healing as the surgery will all be done from the inside of the mouth this time.

New Website: If you haven't already, please check out our newly designed website at www.scottkministries.com. We are especially excited about the moveable graphics explaining the Four Spiritual Laws when you click on "How is your relationship with God?" on the *We Believe* page. We pray it will be a useful tool in sharing Christ with others.

Marriage Mentoring: Please pray that God will lead us to the right couple who is in need of marriage mentoring. We are anxious to use the training we have received to help strengthen other marriages.

Truth Singers Concert:

Please join us on May 6 for a concert with our special needs friends! See our website for details and more information.
